Terms & Conditions

1 Investors should opt for the nomination facility to avoid hassles and inconveniences in case of unforeseen events in future. Through this facility the MFU / AMC is not in any way attempting to grant any rights other than those granted by law to the nominee(s). A nomination in respect of the Units does not create an interest in the property after the death of the Unit holder. The nominee(s) shall receive the Units only as an agent and trustee for the legal heirs or legatees of the deceased Unitholder as the case may be.

2 (a) Minor(s) can be nominated and in such cases, the name, address and signature of the natural parent/ legal guardian representing such minor nominee(s) shall be provided by the Applicant.

(b) Nomination can also be made in favour of the Central Government, State Government, local authority, any person designated by virtue of his office or a religious or charitable trust.

(c) The Nominee shall not be a Trust (other than a religious or charitable trust), society, body corporate, partnership firm, Karta of HUF or a PoA holder. Joint holder cannot be a nominee or the guardian of the nominee.

(d) A non-resident Indian can be a Nominee subject to the exchange control regulations in force, from time to time.

(e) The nomination can be made only by individuals applying for CAN on their own, singly or jointly. Holder of POA cannot nominate. Only unit holders can sign nomination registration/cancellation requests. PoA holders cannot sign the nomination registration/cancellation request.

3 Signature of the nominee or the guardian (in case nominee is a minor) should be furnished in the space provided.

4 The terms and conditions for registration of nominee(s) are as under:

(i) Nomination by an Applicant under the CAN shall be applicable for all the folios that are mapped to the CAN and the investments in the underlying schemes.

(ii) In case a CAN has joint holders, all joint holders should sign the request for nomination / change / updation, even if the mode of holding is 'Anyone or Survivor'.

(iii) Every new nomination for a CAN will overwrite the existing nomination. Nomination will be subject to the provisions of the respective Scheme Information Document.

(iv) Nomination shall not be allowed in a CAN held on behalf of a minor Applicant.

(v) Nomination can be made for a maximum of three nominees. In case of multiple nominees, the percentage of allocation/share in whole numbers and without decimals in favour of each of the nominees should be indicated against the name of the nominees. Such allocation/ share should total to 100 percent.

(vi) If the total allocation / share does not equal to 100 percent, the nomination is liable to be rejected. In the event the Unit holder(s) fail to indicate the percentage of allocation / share for each of the nominees, MFU will consider the nomination as equal amongst all the nominees and the Fund/ AMC, by invoking default option shall settle the claim equally amongst all the nominees.

(vii) In case of multiple nominees, on the death of one or more nominee, the transmission of units shall be made in favour of the remaining nominee(s).

(viii) Cancellation of nomination can be made only by those Unit Holder(s) who hold units on their own behalf either signly or jointly and who made the original nomination. On cancellation of nomination, the nomination shall stand rescinded and the Fund / AMC shall not be under any obligation to transmit the units in favour of the nominee(s).

(ix) In case of investors opting to hold the Units in demat form, the nomination details provided by the investor to the depository participant will prevail.
